The I'M HUNGOVER Collection

Had a rough night? Don't worry; it happens. But first things first, we need to run a check on you. Are we talking about a *Cholmondeley Ladies* hangover or is it more like a David Bomberg's *The Mud Bath* hangover?

A *Cholmondeley Ladies* hangover is fine. You are just seeing double and that's normal. The other is more complicated and requires further investigation. We don't recommend doing what this painting suggests and slope *Off to the Pub*. 'Hair of the dog' may be a remedy for some but we suggest some healthy fresh air and exercise instead.

Feeling sleepy? Why don't you have a good stretch like *The Sluggard*. Go on, no-one's watching!

If you're feeling like hangover food let's take you to *The Cock Tavern* by Richard Wilson. Bacon, eggs and other dodgy fried food always helps in these cases...

If you're feeling some guilt, you can make a quick visit to the Vatican. *Rome: St Peter's and the Vatican from the Janiculum* by Richard Wilson shows a morning view from the Janiculum hill on the right bank of the Tiber. Stand still until you see just one Vatican.

In need of a siesta? The best thing for you is to have another kip. Don't get any ideas about going out again, though; it's an eight o'clock bedtime for you tonight.
