

## EDUCATION FRIENDS OF TATE ST IVES

This is a scheme for formal education institutions to enable you to get the most from Tate St Ives and the Barbara Hepworth Museum.

The Gallery is an important education resource as well as an exciting place to visit. It provides material for all aspects of the National Curriculum in art, but we also feel cross-curricular work is possible, across the arts and relating to other subjects from environmental studies, to information technology.

### Subscription Fee
